

# CTI PRODUCT EVALUATION PACKAGE

## SAP® Solution Manager

Wissen, Erfahrung und  
Einsatzbereitschaft für  
pragmatische Lösungen

# You would like...

- ... to teach basic knowledge of SAP® Solution Manager to all decision makers and project participants? However, standard training is too general for you?
- ... to find out, if and which advantages the SAP® Solution Manager offers to you?
- ... to know which components of the SAP® Solution Manager offer the most benefit for you?

... and all this compactly,  
competently, quickly and  
results-oriented?

## SAP® Solution Manager Evaluation Package

Three days training, workshop, presentation and discussion.

# Agenda

## Day I

### Kick Off
